

## **RHEALIVE INTERNATIONAL PRIVATE LIMITED**

(An ISO-9001 Certified Company)

## COMPANY PROFILE

### ABOUT US

**Rhealive International Private Limited (An ISO-9001 Certified Company)** is one the fastest growing companies from India in terms of sourcing, supplying & exporting the best quality natural & purified organic raw materials which are used in many industries such as **Food & Beverages, Flavor & Perfumery, Pharmaceuticals, Healthcare & Herbal Medicine & Cosmetic Industries, Dietary, Herbal Nutraceuticals & Health Food Supplement, Confectionaries, Spa & Wellness, Aromatherapy Industries etc to name a few.**

Our aim is to export the best 100% natural quality products (Ingredients) to our customers' worldwide at most competitive prices with the excellent post-sales/ delivery services. We always strive to make a lasting impression on our buyers with our continuous improvements, innovations, creativity, & team work thereby earning the insurmountable trust & respect in our field of operations. Also we follow the unprecedented quality standards, ethics & values in our work culture.

All products that we source & supply, are produced by our reputed manufacturing associates under stringent processes & controlled manufacturing environment & analyzed by highly skilled & qualified team, thereby making sure that the best quality ingredients supplies to be given to our valued customers' world across. We always follow strict guidelines with our business associates thereby assuring that all the ingredients should be ethically harvested, processed, manufactured & then packed in an export worthy, safe & hygienic packaging to ensure a long shelf life for the products & also belittling the chances of transit damages.

### OUR OBJECTIVES:

- ✓ All products manufactured through Advance & Latest Technologies to ensure the finest quality, purity, aroma & hygiene.
- ✓ Supply of High Quality Ingredient at most competitive prices.
- ✓ Highly skilled team to manage Supply Chain & Logistics divisions.
- ✓ Timely Order Processing & Deliveries.
- ✓ Team of highly caliber, skilled & dedicated experienced professionals who stick to the best ethical practices & values & also keep in depth knowledge.
- ✓ Integrity & Honesty are mainstreams in all activities, **we perform as a Team.**
- ✓ Innovations, Improvement & Giving Total Satisfaction to the Customers, **are our foremost Priorities.**
- ✓ Value of relationship with our Employees & Customers, **is our Ideology.**
- ✓ Multiple requirements of the buyers can be fulfilled **under our One Platform.**
- ✓ Transparent & Ethical Business dealings **are our Doctrines.**
- ✓ Customized solutions to be given **as per Buyer's Needs.**
- ✓ To constantly locate new sources for latest products that can meet the growing demand of our valued customers worldwide.

**We support our customers 24/7 (hours/ days) in terms of guidance & assistance to let them import our best quality ingredients/ products. Our clients can now either place an order online for listed products on the website by making right combinations & choices or through an email order inquiry on our registered mail Id mentioned in the Contacts Us tab.**

We firmly believe in  
**“Supplying the best from the Rest” ....!!!**

## MISSION & VISION

*“Have a mission to be the leader & significant global trusted player in our trade of services by focusing on supplying/ exporting high quality ingredients to our customers worldwide & winning their confidence with utmost satisfaction”*

*“To attain viable growth rate, pioneering with growing customer base by dispensing excellent operational services to the clients across the globe”*

*“Making a valuable platform to work for all our employees to grow manifold in their endeavors to deliver the best results”*

*“Earning global recognition in terms of a treasured supplier for our customers from India for all their requirements in this line of trade”*

*“Believing firmly on a true adage that – **Great Vision without Great People is totally irrelevant** - thereby working closely, transparently & honestly to strengthen & beautify our associations with all our stakeholders, employees & customers”*

*“Inseminating a congenial environment for our blue, white & pink collar representatives of the company and an indelible wonderful experience for our all clients & at the same time, believing in the karmas (good deeds) of giving back to society & nature by supplying purified & 100% natural ingredients”*

## CORE VALUES & STRENGTHS

# VALUES

*“Bolstering best human values & work ethics in the environment of Rhealive International employees. Encouraging them to be more responsible towards their jobs & appreciation modules are already inculcated in their way of working (KRAs & KPIs) so as to get the optimum results & rewarding them for their achievements”*

*“We always believe in simplified, transparent & open communication work culture as that give impetus to our main principles, values & company's vision to reach at all levels thereby helping us to achieve the desired results that we have set forth for our team members”*

*“Team work is one of our core values & strengths in the organization that mobilizes a harmonious environment where all learn to be more humane; keep sympathy & respect towards each other & help each other grow together”*

*“All our products keep high nutritional values, no residual of chemical & pesticides & preserve the good human health & environment”*

*“Our transparent business dealings & practices help us in gaining a vast clientele base across the globe”*

*“Ability to deliver bulk orders, efficient shipping & logistic team, customized options based on clients' requirements, at affordable prices are a few of our strengths (USPs)”*

*“Our transparent business dealings & practices help us in gaining a vast clientele base across the globe”*

*“Our stern practices to follow the highest quality parameters within the system & giving the outclass services to our customers incomparably. We continuously strive to give our contribution towards our society by insemminating prosperity & growth via supplying natural products/ ingredients for human wellbeing”*

## BOTANICAL HERBS

COMMON NAME	BOTANICAL NAME	COMMON NAME	BOTANICAL NAME
Abelmoschus Moschatus	(Musk Ambrette)	Boerhavia Diffusa	(Hog Weed)
Abrus Precatorius	(Jequirity Seed)	Bombax Ceiba	(Red Silk Cotton Tree)
Abutilon Indicum	(Indian Mallow)	Boswellia Serrata	(Olibanum Gum Tree/ Salai Guggul)
Acacia Catechu	(Catechu)	Bryonia Laciniosa	(Cluster Winter Cherry)
Acacia Concinna	(Shikkai)	Butea Frondosa	(Bastard Teak)
Achillea Millefolium	(Common Yarrow)	Calendula Officinalis	(Marigold)
Achyranthes Aspera	(Common Yarrow)	Callicarpa Macrophylla	(Berry)
Aconitum Heterophyllum	(Indian Atees)	Calotropis Procera	(Milkweed)
Acorus Calamus Root	(Sweet Flag)	Carica Papaya Leaves	(Papaya)
Adhatoda Vasica	(Malabar Nut)	Carthamus Tinctorius Petals	(Safflower)
Adiantum Capillus Veneris Herb	(Capillary Herb)	Cascara Sagrada Root	(Bitter Bark)
Aegle Marmelos	(Bael Fruit)	Cassia Angustifolia Leaves	(Senna)
Aesculus Hippocastanum	(Horse Chestnut)	Cassia Fistula	(Fistula)
Aloe Vera Leaves Powder	(Aloe)	Cassia Obovata	(Senna Obovata)
Alpinia Galanga	(Galanga Root)	Cassia Occidentalis	(Coffee Weed)
Allium Sativum	(Garlic)	Cassia Tora Seeds	(Coffee Pod)
Althaea Officinalis	(Marsh Mallow Flowers/ Seeds)	Cedrus Deodara	(Cedarwood)
Ambrette Seed	(Musk)	Celosia Cristata	(Yellow Toreador)
Andrographis Paniculata Herb	(King of Bitters/ Indian Echinacea)	Centella Asiatica Herb	(Jal Brahmi/ Indian Pennywort)
Althaea Officinalis	(Marshmallow Root)	Chlorophytum Borivilianum	(Safed Musli)
Anethum Graveolens	(Dill)	Cichorium Intybus	(Chicory)
Angelica archangelica Root	(wild celery)	Cinchona Officinalis	(Quinine Bark)
Annato Seeds	(Bixa orellana)	Cinchona Ledgeriana	(Cinchona)
Annona Squamosa	(Custard Apple)	Cinnamomum Camphora	(Gum Camphor)
Arnica Montana	(Arnica Flower)	Cinnamomum Zeylanicum	(Laurus Cinnamomum)
Argyrea Nervosa	(Woodrose Seeds)	Cinnamon Cassia	(Cinnamomum Aromaticum)
Artemisia Dracunculus	(Tarragon Leaves)	Cissampelos Pareira	(Velvet Leaf)
Artemisia Maritima	(Wormseed)	Citrus Aurantium	(Bitter Orange)
Artocarpus Heterophyllus	(Jack Fruit)	Coleus Forskohlii	(Coleous)
Asparagus Racemosus	(Asparagus)	Commiphora Mukul	(Mukul/ Guggul)
Asteracantha Longifolia	(Kulikhara)	Convolvulus Alsinoides	(Shankhpushpi)
Asphaltum Punjabianum	(Mineral Pitch)	Cordyceps Sinensis	(Cordyceps Mushroom)
Atropa Belladonna	(Belladonna)	Crocus Sativus	(Saffron)
Averva Lanata	(Pola Pola)	Curculigo Orchioides	(Common Curculigo)
Azadirachta Indica	(Margosa Tree)	Curcuma Longa	(Curcuma)
Bacopa Monniera Herb	(Water Hyssop)	Curcuma Zedoaria	(White Turmeric)
Bambusa Arundinacea	(Common Bamboo/ Tabashir)	Cydonia Oblonga	(Quince Seeds)
Bambusa Vulgaris	(Bamboo)	Cymbopogon Citratus	(Ginger Grass)
Bauhinia Variegata	(Yellow Bell)	Cyperus Rotundus	(Nutgrass)
Berberis Aristata	(Indian Barberry)	Dactylorhiza Hatagirea	(Marsh Orchids)
Bergenia Ligulata	(Paashaanbhed)	Datura Stramonium	(Datura Seeds)
Blepharis Edulis	(Rohida Tree)	Eclipta Alba	(False Daisy)

## BOTANICAL HERBS

COMMON NAME	BOTANICAL NAME	COMMON NAME	BOTANICAL NAME
Eclipta Prostrata	(Eclipta/ bhringraj)	Mallotus Philippinensis	(Monkey Face Tree)
Embelia Ribes	(Embelia)	Mangifera Indica	(Mango)
Emblca Officinalis	(Amla/ Gooseberry)	Matricaria Chamomilla	(Chamomile)
Ephedra Vulgaris	(Somlatha)	Malva Verticillata	(Chinese mallow Leaves)
Erythrina Variegata	(Pangra Nuts)	Mentha Arvensis	(Corn Mint/ Podina)
Eugenia Jambos Leaves	(Jambos)	Mesua Ferrea	(Indian Rose Chestnut)
Evolvulus Alsinoides	(Shankhpushpi)	Mimosa Pudica	(Fabaceae)
Fagopyrum Esculentum	(Buckwheat)	Mimusops Elengi	(Bullet-wood Tree)
Ferula Foetida	(Asafotida)	Mitragyna Parvifolia	(Kaim)

Berberine HCL	Berberis Aristata
Beta Carotene	Beta Carotene
Boswellia Serrata Extract	Salai/Salai Guggul Extract
Caffeine	Caffeine
Calcium Sennosides A & B	Cassia Angustifolia
Centella Asiatica Herb Extract	Gotu Kola Extract
Chitin / Chitosan	Glucosamine
Chlorophyll	Chlorophyll
Colchicine	Colchicine
Coleus Extract 95% to 98%	Coleus Forskohlin
Coleus Extracts 10% to 60%	Coleus Forskohlin
Curcumin Extract 95%-98%	Curcuma Longa
Emblica Officinalis Fruit Extract	Amla Extract
Garcinia Cambogia Extract	Malabar Tamarind Extract
Glabridin (Licorice)	Glabridin (Licorice) Root

### COMMON NAME

### BOTANICAL NAME

Lycopene	Lycopene
Lysergol	Lysergol
Morinda Citrifolia Fruit Extract	Indian Mulberry Extract
Momordica Chirantia Fruit Extract	Bitter Gourd Extract
Morinda Citrifolia Juice	Noni Juice
Piperine Extract 95%	Piper nigrum
Plantago Ovata Husk	Psyllium (Powder/Seed)
Pterostilbene	Pterostilbene Genus
Quinine HCL	Quinine HCL (Hydrochloride)
Rauwolfia Reserpine	Rauwolfia Reserpine (Roots)
Rauwolfia Total Alkaloids	Rauwolfia Total Alkaloids 10%-90%
Tamarindus Indica Fruit Extract	Kalamagi/ Sambalagi/ Tamarind
Tetra-Hydro Curcumin	Curcuma Longa
Tribulus Terrestris Fruit Extract	Bindii/ Puncture Vine/ Bhakhdi
Valerian Root Extract	Valerian Officinalis (Root Used)
Yohimbine Hydrochloride	Pausinystalia Johimbe

## PHYTOCHEMICALS

(NATURAL HERBS USED TO EXTRACT CHEMICAL INGREDIENTS)

### COMMON NAME

Apocyanaceae	Raubasine
Andrographis Paniculata	Kalmegh
Argyreia Nervosa	Lysergo
Berberis aristata	Berberine

### COMMON NAME

Beta Aescin	Beta-Escin
Boswellia Serrata	Salai Guggul
Camellia Sinensis	Green Tea
Camptotheca Acuminata	Camptothecin

**PHYTOCHEMICALS**  
(NATURAL HERBS USED TO EXTRACT CHEMICAL INGREDIENTS)

COMMON NAME	BOTANICAL NAME
Capsicum Annum	Capsaicin (Quinine Hydrochloride)
Cinnamomum Cassia	Tejpatra
Coffea Robusta	Natural Caffeine
Colchicum Autumnale	Colchicine
Colchicum Autumnale	Thiocolchicoside
Curcuma Longa	(Haldi) Turmeric extract
Deglycyrrhizinated Licorice	Mulethi
Digoxin	Digitalis Lanata Leaves
Gloriosa Superba	Flame Lily/ Climping Lily
Glychrrhiza Glabra	Glabridin
Haematococcus Pluvialis	Asthaxanthin
Hyoscine N Butyl Bromide	Duboisia leaves
Marigold flower	Zeaxanthin

COMMON NAME	BOTANICAL NAME
Mucuna pruriens	Mucuna extract
Nux Vomica	Brucine
Pausinystalia Yohimbe	Yohimbine HCL (Hydrochloride)/ Rauwolfia Serpentina
Pericarpium Granati	Pomegranate
Piper nigrum (Piperine 95%)	Black Pepper Extract
Rauwolfia verticillata	Samin
Sesamum Indicum	Sesamin
Senosides	Senna
Serpalan/ Serpasil	Reserpine
Sophora flavescens Ait	Quercetin
Stevia Rebaudiana	Stevia
Vitis Vinifera	Grape Seeds
Withania Somnifera	Withaferin

**FOOD ENZYMES**

COMMON NAME / BOTANICAL NAME
Alpha Amylase Enzyme Powder (1:2000 FAU/g – 1:50,000 FAU/g)
Alpha Galactosidase Powder Enzyme (500 AGU/g – 50,000 AGU/g)
Amylase Powder Enzyme (1000 IU/g – 100,000 IU/g)
Beta - Glucanase Enzyme
Beta - Glucosidase Enzyme (100 IU/mg - 50,000 IU/gm)
Bromelain Enzyme (600 GDU/g, 1000 GDU/g 1200 GDU/g, 2400 GDU/g, 2500 GDU/g & 3000 GDU/g)
Catalase Powder Enzyme
Cellulase Powder Enzyme (1000 IU/g – 100,000 IU/g)
Chymotrypsin Enzyme
Fungal Amylase Powder Enzyme (NLT 50,000 UI/g)
Fungal Protease Powder Enzyme (3,000 HUT/g)
Fungal Lipase Powder Enzyme (100,000LU/g)
Fungal Lactase Powder Enzyme (3000 FCC ALU/g)
Fungal Diastase Enzyme (1:1200- 1:3000- 1:5000)

COMMON NAME / BOTANICAL NAME
Glucoamylase Powder Enzyme (25 AG/g – 50,000 AG/g)
Glucose Oxidase
Hemicellulase Powder Enzyme (1000 Unit/mg – 100,000 Unit/mg)
Invertase Powder Enzyme (2500 Unit/g – 200,000 Unit/g)
Lactase Enzyme (1000 ALU/g – 100,000 ALU/g)
Lipase Enzyme (1000 IU - 150,000 IU, USP, EP)
Lysozyme Enzyme (20,000 IU, 30,000 IU)
Nattokinase Powder Enzyme (1000FU/g to 60,000 FU/g USP, EP)
Pancreatin Powder Enzyme (1NF – 10 NF)
Papain Enzyme Powder (50 TU/mg to 1000 TU/mg)
Pectinase Enzyme
Pepsin Powder Enzyme (1:3000 NF, 1:10000 NF, 1:15000 NF)
Peptidases Enzyme
Phytase Enzyme (100 Unit/g - 100,000 Unit/g)

## FOOD ENZYMES

### COMMON NAME / BOTANICAL NAME

Proteinase Enzyme
Protease Powder Enzyme
Serratiopeptidase Enzyme in Power & coated Grannule forms (2200 IU/g to 2400 IU/mg)
Sucrase Enzyme

### COMMON NAME / BOTANICAL NAME

Transglutaminase Enzyme (90 IU/g – 120 IU/g, 240 IU/g)
Trypsin Powder Enzyme (1:250 USP Unit/mg , 2000-2500 Unit/mg)
Trypsin Chymotrypsin Enzyme (6:1)
Xylanase Enzyme

## AROMATIC NATURAL CHEMICALS/ INGREDIENTS

### COMMON NAME / BOTANICAL NAME

Alpha - Pinene
Alpha Phellandrene
Anethole
Benzyl Benzoate Natural
Benzyl Butyrate Natural
Beta - Carophiline
Beta-Damascone
Beta-Pinene
Camphene
Camphor Powder & Oil
Camphor Powder (Synthetic)
Caryophyllene Acetate
Cinnamon Aldehyde
CIS-3-Hexenol - Acetate Natural
CIS-3-Hexenol - Butyrate Natural
CIS-3-Hexenol - Natural
CIS-Jasmone

### COMMON NAME / BOTANICAL NAME

Citral Natural
Citronellol Ex- Citronella & Ex Eucalyptus
Cuminc Aldehyde
D-Carvone Natural
D-Limonene
DI-Menthol (Synthetic Menthol)
Ethyl Amyl Ketone
Ethyl Cinnamate Natural
Ethyl Vanillin
Eugenol Acetate
Gamma-Decalactone Natural
Gamma-Dodecalactone Natural
Gamma-Terpinene Natural
Geraniol Ex-Citronella
Geraniol Ex-Palmarosa
Geranyl Acetate Natural
ISO Borneol Powder

### COMMON NAME / BOTANICAL NAME

ISO Valeric Acid Natural
L-Carvone
Linalool Ex Basil India
Linalyl Acetate Natural
Menthone Ex -Mentha Arvensis
Menthyl Acetate Ex-Mentha Arvensis
Methol Crystal Small & Large
Methyl Cinnamate Natural
Musk Ambrette
Nerol Natural
Piperonal Natural
Raspberry Ketone Natural
Terpinene Natural
Terpineol Perfumery Grade
Terpinyl Acetate
Thymol Crystal
Vanillin Natural

## NATURAL FLORAL OILS/CONCRETES/ABSOLUTES

### COMMON NAME

### BOTANICAL NAME

Amber Oil	Pinus Succinefera
Ambrette Seed	Abelmoschus Maschatus Medik
Angelica Root Oil	Angelica Archangelica
Cardamom Absolute	Elletaria cardomum
Champaca Red Absolute	Michelia champaca
Champaca White Absolute	Michelia champaca
Costus Root Absolute	Saussurea Lappa
Frangipani	Plumeria Obtusa/ Plumeria rubra acutifolia
Gardenia Absolute	Gardenia grandiflora

### COMMON NAME

### BOTANICAL NAME

Honeysuckle Absolute	Lonicera Caprifolium
Jasminum Auriculatum	Jasminum Auriculatum
Jasmine Sambac	Jasminum Sambac
Jasmine Grandiflora	Jasmine Grandiflorum
Kewra / Kewda Absolute	Pandanus Odoratissimus
Marigold Absolute	Calendula Officinalis
Mimosa	Acacia Deccarcus
Mogra Absolute	Jasminum Officinalis
Geranium Leaf Absolute	Pelargonium graveolens

### NATURAL FLORAL OILS/CONCRETES/ABSOLUTES

Khus Hydrosol/Floral Water	Vetiveria Zizanoides
Lemongrass Hydrosol/Floral Water	Cymbopogon Flexuosus
Magnolia (Champa) Hydrosol/Floral Water	Magnolia Champaca
Mandarin Hydrosol/Floral Water	Citrus Reticulata
Mogra Hydrosol/Floral Water	Jasminum SambacVar/ Sambac Jasmine
Naagchampa Hydrosol/Floral Water	Magnolia Champaca
Parsley Hydrosol/Floral Water	Petroselinum Sativum
Sandalwood Hydrosol/Floral Water	Santalum Album
Spikenard Hydrosol/Floral Water	Nardostachys Jatamansi
Neroli Hydrosol/Floral Water	Citrus Aurantium
Tea Tree Hydrosol/Floral Water	Melaleuca Alternifolia
Mitti Hydrosol/Floral Water	Baked Earth

**HEALTH FOOD SUPPLEMENTS**  
(SINGLE INGREDIENT PRODUCTS)

COMMON NAME	BOTANICAL NAME
Organic Spirulina Powder	(Blue Green Algae)
Organic Turmeric Extract Powder/ Oil	(Curcuma Longa)
Organic Tribulus(Bindii) Extract Powder	(Tribulus Terrestris)
Organic Shilajit Extract Powder	Asphaltum (Mineral Pitch)
Organic Green Tea Extract Powder	(Camellia Sinensis)
Organic Green Coffee Extract Powder	(Coffea Arabica)
Organic Garcinia Extract Powder	(Malabar Tamarind)
Organic Fenugreek Seed Extract Powder	(Trigonella Foenum Graecum)
Organic Triphala Extract Powder	(Emblica Officinalis)
Organic Aloe Vera Extract Powder	(Aloe Barbadensis)
Organic Moringa Extract Powder	(Moringa Oleifera)
Organic Ashwagandha Extract Powder	(Withania Somnifera)
Organic Nachani Satva Extract Powder	(Finger Millets Powder)
Organic Peppermint Extract Powder	(Mentha Piperita)
Organic Garlic Extract Granules	(Allium Sativum)

**Disclaimer:** - "Product that is protected by any valid patent/ copyright, is not offered for sale in the country where import & sale of such product carries any kind of patent infringement/ violation issue. It remains completely responsibility of the buyer/customer to check & verify patent situation & positioning of those products in their respective market(s) where the intended usage will be happened, before importing from us"

## QUALITY ASSURANCE

All our ingredients comply with international standards of quality to offer 100% natural & purified products. We also do private labeling based on the customer requirements. We provide Certificates of Analysis (COA) report for each batch/ consignment as & when is asked by our buyers. All these reports come from Independent Testing Laboratories. Other than COA, we also provide technical documents such as MSDS (Material Safety Data sheet), Gas Chromatography (GC) and Mass Spectrometry (MS) test reports etc to name

**Rhealive International** is very strict to ethically follow all best industry practices to come out with excellent results, services & products for our customers across the globe. These ingredients are well tested for their physical (includes color, molecular weight and volume) & chemical properties (is observed by changing the chemical identity of the substance) in the state of art labs & with highly technical equipped instruments/ devices. In order to control the microbial counts/ safety of organic products, we may also get the consignment(s) sterilized (by using heat, irradiation, high pressure, or filtration processes).

## PACKAGING STANDARDS

**Rhealive International** understands its customer's requirement very well that is why we offer a wide range of packaging options to our clients. All are export worthy as per the International packaging norms. Our team of qualified packaging professionals dedicates their all acquired skills & meticulous attention while packing all export oriented consignments so as to make sure to give safe deliveries to our customers' world across.

We source these packing & packaging materials from only trusted & certified suppliers who stringently follow all the international strict standards & guidelines while producing the same so as to offer us fully leak proof & high quality materials. As all our products require keeping their true essence, purity & freshness intact & uncontaminated therefore, we take no chance in our procurement process. **We also offer customized (OEM) packaging & private labeling facilities to our customers as per their requirements.** All this packing is done with automated & advance machines & tools so that the packed good for export should bear all adversities during the transit & reach at destination to our customer in best conditions (unharmful, flawless & unbroken).

For our different category of products, we have customized options to offer in terms of packing & packaging & they come in difference sizes & shapes **such as:**

- ✓ Fiber Drums
- ✓ High Density Poly Ethylene (HDPE) or PE Bags, Drums, Bottles & Jars
- ✓ Aluminum, Plastic, Glass Bottles & Jars Pressed Bale Packing
- ✓ Galvanized Iron Drums
- ✓ Flexible Poly-wrapping/ Poly- pouches
- ✓ Paper Board Cartons etc... to name a few

## GLOBAL PRESENCE

Rhealive International has already been embarked on the journey of growth & progressing by leaps & bounds on each passing year because of the high quality of our natural ingredients, at competitive prices, timely deliveries & reliable services giving to our customers worldwide. We are striving hard to win the confidence of our clients to make our in the market for their all requirements in this industry under one umbrella. We have been exporting several continents such as LATAM, EUROPE, FAR EAST, NORTHAMERICAN & a few SAARC COUNTRIES.

We simply believe in two philosophies:

***“Don't make Customers Happy, rather Make Happy Customers”*** and ***“Your Happy Customers wouldn't able to live without your Services”***..

## INDUSTRIES - WE SERVE

## WORK CULTURE

We at **Rhealive International** always believe in treasuring the talented & creative minds who are self motivated to create a niche for themselves. They must be acquiring the requisite skills, passion & hands on experience to contribute in the success of the company & at the same time we give them ample opportunities to grow, conducive environment to work & perform & decision making freedom under the guidance of seniors. We firmly believe in **“Happy Employees lead to Happy Customers, which further leads to more Profits...as together we can achieve more”..**

At our workplace, we are more eager to understand or analysis the hearts & minds of people by looking at what aspire to, rather just looking at their already achieved laurels. Our current team consists of diverse minds from diverse same passion & vision for the team work, out of box thinking, table in an open working environment to work in. balance to create a healthy & the same they can fulfill their

fields. All are result driven & keep the company. We always embrace brainstorming ideas across the culture & creating a respectful There is also a work- life dynamic atmosphere & at personal obligations also.

We continuously train our personnel on various subjects to keep them informed & updated, thereby growing their mindsets within the company to take the best out of them. Our Team HR is very organized, skillful, employees friendly to give them proper attention to their needs & woes. We have a culture of recognizing every bit of contributions that our employees are making in the success of the company with rewards, incentives, perks & in other ways. We have inculcated in the system a very transparent recognition methodology where each employee gets benefited with the way they perform & contribute. There is a clear system of defining the Key Responsibility Areas (KRAs) & Key Performance Indicators (KPIs) for each employee.

**Motivation. Recognition. Rewarding. Be Respectful. Team work & many more are integral part in our work systems\*\*\***
